

## Public Notice

### **Federal Fiscal Year (FFY) 2017-2021 Transportation Improvement Program (TIP) Amendment # 17-01**

**November 17, 2016**

The Poughkeepsie-Dutchess County Transportation Council (PDCTC) proposes an amendment to the Federal Fiscal Year (FFY) 2017-2021 Transportation Improvement Program (TIP): the five-year capital program that assigns federal funds to transportation projects located in Dutchess County. The Transportation Council periodically updates the TIP to add new projects, remove existing projects, or change a project's cost, schedule, or scope. Significant changes are classified as amendments and require that the Transportation Council hold a 15-day public comment period prior to action.

Amendment #17-01 adds over \$3-million in Federal Highway Administration (FHWA) funding for two existing highway projects, while also reschedules them earlier into the TIP: 1) Dutchess County DPW – CR 93 (Myers Corners Rd.) realignment in the Town of Wappinger (PIN 875545) and 2) City of Poughkeepsie – Washington St. bridge replacement (PIN 875983). Please see the attached TIP sheet for more information.

#### **Public Comments**

This comment period provides the public with an opportunity to review and comment on the proposed changes. Comments should be sent in writing to the address below by **4:00 p.m. on Thursday, December 1, 2016**. Comments may be made by standard mail, email, or fax.

---

*About the PDCTC: Established in 1982, the PDCTC serves as the designated Metropolitan Planning Organization (MPO) for Dutchess County. Federal law requires that all Urbanized Areas, U.S. Census defined metropolitan areas with over 50,000 people, be represented by a MPO, which is responsible for ensuring that Federal transportation dollars (highway and transit) are committed through a locally driven, comprehensive planning process. The PDCTC includes representatives from local municipalities, the New York State Department of Transportation, and the Metropolitan Transportation Authority.*
